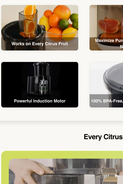
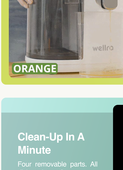
## Enjoy Fresh-Squeezed Citrus Juice Without The Hassle, Mess, Or Bulky Equipment

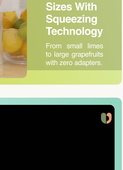


1. Press

2. Cut



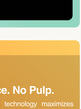
3. Insert



4. Juice

Works on Every Citrus Fruit

Maximize Pure Citrus Juice With No Pulp



Dishwasher-Safe Components

Powerful Induction Motor

100% BPA-Free, Food-Safe Materials

Built With Durable Material And Thoughtful Design

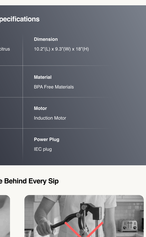
## Every Citrus. Zero Adapters.

### One Juicer Handles All Sizes With Squeezing Technology

From small limes to large grapefruits with zero adapters.

### Clean-Up In A Minute

Four removable parts. All dishwasher safe. No scrubbing, no soaking, no excuses.

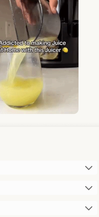


### More Juice. No Pulp.

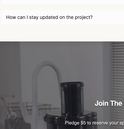
Our squeezing technology maximizes pure citrus juice with no pulp for a smooth, refreshing pour every time.

### Powerful Induction Motor

The same technology used in professional juice bars.



## One Glass - Six Powerful Benefits



Skin Health

Digestive Health

Natural Energy

Immune Support
